

## Referat FUM 2021-6

*Written by Ville Mattsson Kjellqvist*

### *UTN:s Finest <33*

Felix Kåhrström (F) was nominated for UTN:s Medal of Merit. Albin Antti (IT), Henny Henriksson Larsson (BIO) and Leonardo Alvarez Urrutia (E) were nominated to be Guardians of the Pillars.

### *Elections*

The head of the elections committee is continued vacant. For the Presiding Committee of the Council, Gabriel Petterson (X) was chosen to be vice secretary, Samuel Jorayev (BIO) to vice chairman and Tim Nedergård (W) to secretary.

### *Discussion regarding Sections*

The board raised two questions for FUM. What happens in the case that a person studies more than one program, or when a programs contents fit more than one section. How should the sections members be counted in those cases. After a long discussion FUM came to the conclusion that none of the above has a noticeable impact and decided that the questions are played out.

### *Some more small things*

- IT gets one less seat and H one more in FUM next year.
- UTN will apply to and hopefully be granted status as a student union.
- The new Masters Program in
  - Battery Technology and Energy Storage belongs to K.
  - Bio Physics belongs to BIO.
  - Electric Propulsion Systems belongs to E.
  - Quantum Technology belongs to F.
